All Saints Wedding Information and Guidelines

Revised September 2009

Wedding Coordination Staff

Wedding Director/Decorator	Shiona Christensen	(865) 310-9454
Music Ministry Director	Sandy Seffernick	(865) 675-1788
Facilities Manager	John Carter	(865) 405-4680

We join in your excitement about your upcoming wedding. We also pray that God's blessings will be with you as you make this important commitment! As a Catholic faith community, we believe your marriage ceremony at All Saints includes who we are and what we, as a community, believe about marriage. Hence, we ask the following guidelines be followed. In addition, we hope you, as a couple, will take the time to read the provided workbook in preparation for planning your ceremony.

Beginning to Plan Your Wedding

1. The initial contact with All Saints should be made by either the Bride or the Groom.
2. No wedding will be booked less than four months before the anticipated wedding date.
3. The couple should read these regulations and guidelines carefully so they are aware of what is expected.
4. This information should be shared with the appropriate vendors as soon as possible.

Date & Time Regulations for Weddings

1. All Saints offers two times on Saturdays for weddings: 11:00 a.m. and 2:00 p.m.
2. Wedding parties will be given access to the church no more than two hours prior to the ceremony.
3. Monday through Friday, weddings can be celebrated depending upon availability of the church and priest/deacon.
4. NO weddings will be celebrated on Sundays
5. No more than two weddings will be scheduled on a Saturday.

Date & Time Regulations for Rehearsals

1. Rehearsals are scheduled depending on the availability of the church, the priest/deacon and the wedding director. They normally take place in the evenings between 5:00 p.m.-7:00 p.m.
2. Rehearsals will take at least one hour. Please plan rehearsal dinners accordingly.
3. Rehearsals should be scheduled at the same time a bride and groom schedule their wedding.

Scheduling the Wedding and Rehearsal

1. It is the responsibility of the couple to secure a Catholic priest or deacon to preside at their ceremony and make arrangements for the couple's Marriage Preparation. The wedding **WILL NOT BE BOOKED** until the couple has secured their celebrant and the leader of their Marriage Preparation (This can be the same person.).
2. Once a celebrant has been selected, it is time to schedule the wedding. Be sure to check with the chosen celebrant to confirm his schedule. It is recommended that the couple have several dates as options, in case their first choice is already booked.
3. Normally, it's only the Bride and/or Groom who should make contact with the parish office.
4. The couple should schedule the rehearsal while they are scheduling the wedding to be assured of the time of their choice for both events.
5. Wedding rehearsals last at least one hour. Please plan accordingly.

Scheduling the Wedding Director and Decorations

1. All Saints' Wedding Director, Shiona Christensen, must be contacted at least **TWO MONTHS IN ADVANCE**. Wedding Directors oversee all wedding activity at All Saints and can answer questions regarding permissible decorations, use of All Saints' decorating materials, access to the bridal room and grooms' changing room, etc. Directors must be aware of wedding plans well in advance to assure your wedding day runs as smoothly as possible.
2. All Saints provides our own Wedding Director who will direct your wedding and be on-hand throughout your rehearsal and wedding day to assist the bridal party members. Because the director commits several hours of time to planning your ceremony, the rehearsal and the wedding day, a fee of \$100 is charged and paid directly to the Wedding Director at the wedding rehearsal.
3. All Saints discourages the use of an outside Wedding Director as the church's Wedding Director can provide all the same services during the ceremony and is familiar with the parish and the priests.
4. Brides can choose to use the wide assortment of fabrics, candles and adornments, greenery and other items available to decorate the church and sanctuary for their wedding day. The Wedding Director is also the parish's Wedding Decorator and will meet with brides and plan the layout of decorations for the wedding day. No fee is charged for the décor, but since the director/decorator will be devoting a minimum of five hours to your wedding celebration, a fee of up to \$150 is charged (in addition to the director fee) and paid directly to the decorator at the wedding rehearsal. Many brides may choose to bring their florist, photographer or videographer to acquaint them with the facility and ask any questions they may have. Amount of décor may be limited by the amount of time available prior to or after the ceremony.

5. All decisions about what happens within the church rest with the priest/deacon, the Wedding Director and the policies of All Saints.
6. All Saints has a **unity candle** stand that can be used free of charge. If the bride wishes, she may purchase unity candles from All Saints at a cost of \$45. In order to fit in the candle stand, the main unity candle must be three inches wide. The side candles must be one inch wide.
7. The **Request for Decorations Form** included in this packet should be completed during your meeting with the Wedding Director/Decorator. Copies will be made for your records, and the Wedding Director/Decorator will keep the original.
8. **No furnishings may be moved in the church building without specific permission of one of the All Saints parish priests/deacons or the Wedding Director/Decorator.**
9. The All Saints Wedding Director/Decorator is working for you in a professional capacity. Please do not feel obligated to invite the director to your rehearsal dinner or wedding reception.

Scheduling Vocalists/Accompanists & Music Regulations

1. All Saints' Director of Music must be contacted at least **FOUR MONTHS IN ADVANCE**. The Director of Music provides guidance with music selection and can recommend approved accompanists and vocalists.
2. If you have a relative or friend who is a professional organist/pianist and is familiar with the format of a Catholic wedding liturgy or ceremony or if you wish to hire an outside accompanist, you may invite that person to serve at your wedding. **This person must be auditioned and approved in advance by the Director of Music.** Only competent, professional organists are qualified to play our organ. If the person you have in mind is uncomfortable with the idea of playing an unfamiliar organ, it is best to leave that important role to the recommendation of the Director of Music. Director of Music may require having an All Saints Music Ministry employee on hand in the event of equipment/sound system malfunction.
3. Vocalists/Accompanists/Instrumentalists must perform from the area designated.
4. Arrangements for musicians to attend the wedding rehearsal should be discussed with each musician.
5. Fees for each vocalist/accompanist/instrumentalist are not set by All Saints and should be discussed with those hired and paid to the individual at the wedding rehearsal or at the designation of the musicians.
6. All Saints does not permit pre-recorded music at any time before, during or after the ceremony.
7. Approved secular music may only be sung before the wedding ceremony.
8. Mainstream "pop music" is not acceptable for any sacred liturgy.
9. Vocalists/Accompanists/Instrumentalists should be provided with a Wedding Program/Worship Aide prior to the wedding day.
10. Vocalists/Accompanists/Instrumentalists are working for you in a professional capacity. Please do not feel obligated to invite them to your rehearsal dinner or wedding reception.

Diocese of Knoxville General Guidelines

1. All Saints is part of a larger church, the Diocese of Knoxville. In keeping with Diocesan policy, all weddings must be scheduled at least **four months in advance**.
2. Each couple must go through a period of instructions with the parish priest/deacon. The Catholic party must be a practicing Catholic and the couple must participate in one of the following opportunities:
 - a. Attend a weekend for the engaged
Weekends for the engaged begin on Friday evenings and end Sunday afternoons at a nearby retreat/conference center and take place as often as six times a year. The cost is approximately \$250. Additional information, including how to register, can be obtained from the parish office or from the priest/deacon preparing you for your wedding.
 - b. Attend weeknights for the engaged
Weeknights for the engaged consist of five two-hour sessions with a host couple at their home. A great deal of flexibility is needed to participate in this program. There is no cost to attend this program. To register or for more information, contact the parish office.

***NOTE:** If a couple is completing their marriage preparation in another Diocese, All Saints must have written verification four weeks prior to the ceremony that all requirements for the Diocese in which the preparation is done have been fulfilled.*

3. Each couple must meet with a Catholic Charities Counselor to take and discuss the FOCCUS Inventory. The inventory is administered here at All Saints by a Catholic Charities Counselor. This inventory focuses on helping a couple explore issues related to marriage (e.g. communication skills, finance, in-law relationships, faith issues, parenting issues and personality styles). The inventory involves completing a questionnaire and follow-up sessions. The cost for the FOCCUS Inventory is \$60 and must be paid to the counselor when the test is administered. Contact Niquette Jones at (865) 684-1892 to make arrangements. At the completion of the FOCCUS Inventory you will receive a certificate which provides a \$60 discount on the purchase of your marriage license.
4. You may not be aware that the Catholic Church feels couples' living together before marriage is not in harmony with gospel values. We are happy to witness your marriage so your living arrangements can be brought into harmony with God's laws. However, we strongly encourage you to consider living apart during the crucial time of discernment. It is profoundly important your choice to marry is one made with total freedom, and that freedom can be more readily achieved if you are not already living together. We know God will bless your decision to live separately. If you cannot do so, however, we encourage you to receive the Sacrament of Reconciliation prior to your wedding.
5. An All Saints parish priest/deacon must approve all wedding plans to be sure that they keep within the spirit of the church's instructions on wedding ceremonies. If you have questions about anything not covered in these guidelines, please contact the Wedding Director before making final decisions.
6. The priest/deacon who is to preside at your wedding will administer the Pre-Nuptial Investigation which is required to be filled out by all Catholics wishing to be sacramentally married.
7. Baptized non-Catholics must supply a copy of their Baptismal Certificates.
8. Baptized Catholics must notify the church where they were baptized to send a recent copy (*issued in the last six months*) of their Baptismal Certificate.

9. If the bride or groom has not been baptized, the presiding priest/deacon will help apply for a dispensation (*special permission from the bishop*).
10. If either the bride or groom has been previously married (in any church or civil ceremony), then a Catholic Church Declaration of Nullity of the previous marriage must be obtained. This process could take years to complete, depending on the circumstances. In the case of a marriage being dissolved by the death of a spouse, a death certificate must be obtained before plans proceed.
11. In order for a priest/deacon to participate in a wedding taking place at a non-Catholic church, a dispensation must be obtained. The presiding priest/deacon will provide you with proper forms.
12. The Catholic Church does not normally allow outdoor weddings. Permission for an outdoor wedding may be granted only by the Bishop. This permission is rarely granted and is done so only in extraordinary circumstances.

All Saints Parish General Guidelines

1. Ministers for other denominations are welcome to assist in wedding ceremonies at All Saints. Please provide one month's notification to the priest/deacon and Wedding Director if you will be bringing a guest minister.
1. Flower girls and ring bearers are welcomed, but if not at least five years old, they should sit with parents in pews after the procession and not remain in the sanctuary with the bridal party.
2. Lectors chosen to do the readings at weddings should be picked because of the ability to speak publicly and should be willing to practice their selected reading during the wedding rehearsal.
3. Couples must supply their own marriage licenses.
4. All sacramental paperwork (baptismal certificates, Declaration of Nullity, etc.) should be filed with All Saints no later than four weeks before the wedding.
5. For insurance and safety reasons, no rice or birdseed may be thrown or handed out on the premises.
6. All Saints is a smoke-free property. Please ask your guests to respect this policy.
7. No alcoholic beverages are allowed in the church building at any time.
8. Changing rooms for both men and women are provided. Please leave the rooms in the same order and cleanliness as you found them.
9. The Reconciliation Room is not available for use (e.g. storage of items) at weddings.
10. For safety and insurance reasons, we do not allow aisle runners or flower petals to be dropped along the aisle.
11. All wedding parties are asked to leave the church and all church furnishings in the same cleanliness and order in which they were found. Please note that All Saints Parish does not have a janitor or cleaning service. **The Church is maintained and cleaned by parish volunteers.** Your cooperation will be greatly appreciated!
12. It is the responsibility of the couple to share the "General Guidelines" as well as specific instructions for various vendors with all groups involved with the wedding.
